

In the Spring Term, our topic in Italian was to learn about the colourful festival, The Venetian Carnival, which takes place in the beautiful city of Venice.

Children learnt how this festival takes place the week before Lent begins. People dress up in colourful costumes and masks and parade in Venice. Many tourists around the world go to Venice to see this take place.

I loved making the colourful masks. I liked learning about Venice and the gondola boats.

It is a time for family and friends to get together and enjoy food and drink, before they give something up for Lent. It is a time to remember the story of Jesus 40 days before he is put onto the cross to die.

Children were able to design their colourful masks and costumes using pastels, paints, colouring pencils and felt tip pens.

It was really fun designing masks and costumes and writing invitations. We are not just sitting and writing all the time. Niall
