

# The Gingerbread Man

'We wrote a story'

Julian

'We wanted a drink the gingerbread man was spicy'

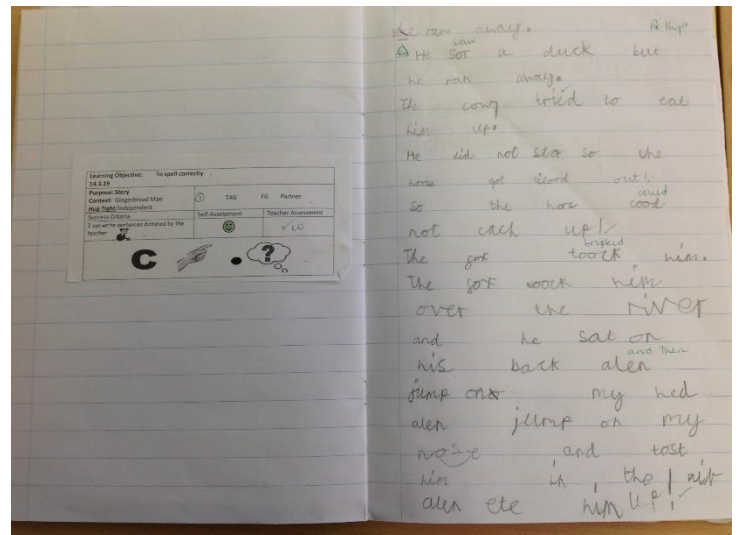

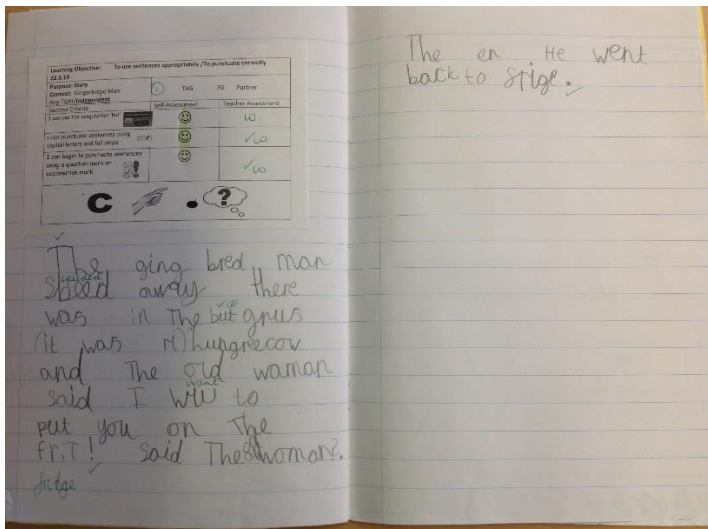

Noah

'We made a story plan'

Olivia

The children smelt, felt, looked and ate a gingerbread man as part of their Science work on senses before rewriting the Gingerbread Man story in English lessons.

# Dinosaur Workshop

'The fossils were beautiful'

Beatrice

'We saw and could touch the birds  
and they were fluffy'

Nelly

'I learnt that there wasn't grass  
when dinosaurs were alive' it'

Luke

## Dinosaur Roadshow comes to Newts class

Newts were very lucky to be visited by the Dinosaur Roadshow, there were opportunities to handle fossils, dinosaur bones and teeth as well as quizzes about what was alive at the time of dinosaurs, sorting dinosaurs and learning about food chains with herbivores, carnivores and omnivores. We were very busy and it was exciting - we were especially interested in the stuffed hawk, owl, hedgehog and mouse! Oh and of course, the dinosaur pool!!!

# Year 1 Pizzeria

Newts made pizzas to sell at the pizzeria to their families.

'I liked the tomato pizza'

Malakai

The children created posters to advertise the delicious pizzas.

'My Mum and Nan brought the pizza and they said it was delicious'

Isabelle

Mrs Pritchard brought older children to help the children in Newts learn some Italian phrases they could use at the pizzeria.

'We made pizza and wrote about it'

Joseph
