

Newts Grounds Week 2019

Winter Grounds Week

In our Winter Grounds Week we have followed a trail and looked for signs of winter while using our senses and then we sketched our discoveries, we have had a music lesson outside and planted carrot seeds.

Grounds Week Art with Year 4

Mrs Jenks and Mrs Whittingstall - Bean did arrange another buddy session for Newts and Woodpeckers.

All the children learnt how to print and the Year 4's supported Year 1's with sketching skills - it was another wonderful afternoon.

Thank you Woodpeckers!
