

Drumming

Following the success of the drumming club every Thursday lunchtime, the children finished the first term's drumming club with an assembly for KS2 children. They showed off their drumming skills, playing different rhythms to popular music. They loved it and so did the rest of Key Stage 2 children, who joined in with the singing and clapping also. A big well done to those children.

I enjoy the drumming club because I can now drum!

I enjoy drumming club because I like jumping around bashing the sticks.

I love drumming. It's the best day ever. I can use my own drumsticks.
