WELCOME BACK!

We hope you have had an enjoyable summer holidays and have recharged your batteries. We have lots of exciting things to look forward to and we look forward to working with your amazing children! We are super excited to start our new topic this half term and have our own Victorian day!

LEARNING HEADLINES

Victorians!

Toys!

Animals & Plants!

ENGLISH

In English this term we will be reading Q Pootle 5, it is about an alien who has crash landed and needs help fixing his spaceship. We will be labelling a spaceship to inform our new alien friend Q Pootle 5 on how to fix his ship. We will also be writing a list of equipment he will need for when he spends his day in school.

HISTORY AND GEOGRAPHY

We will be learning about History this term, looking at the Victorians and how they lived. We will be looking into their lives and how they differ to ours. We will also be looking at some Victorian toys and comparing them to ones we have now.

MATHS

In Maths this term we will be learning all about Place value within 10. The children will be grouping and sorting items based on different characteristics such as: colour, size and shape. We will also be looking at addition and subtraction of numbers within 10.

RSHE

This half term we will be learning about 'being me in my world' this will include discussions based around: *helping others to feel welcome, making our school community a better place, everyone right to learn, caring about others feelings, working well with others, following our learning charter*

The vocabulary we will be covering is: safe, special, calm, belonging, rights, responsibilities, learning charter, rewards, proud, consequences, upset, disappointed, illustration,

SCIENCE

We will be learning all about animals including humans and different types of plants and where they grow.

P.E.

PE will take place on the

following days:

Tuesday and Thursday.

PE kits can be left in school until half term.

We will be

focussing on yoga using our online resource called Yoga bugs virtual.

We will also be developing our balancing and apparatus skills.

ART

We will be learning about patterns and textures and how to incorporate this into our painting and sketching. We will also be learning about primary colours and what happens when colours are mixed together.
