

Tudor House Visit

During the Spring term the children in Newts went to Tudor House in Southampton as part of their Treasure topic.

'I liked dressing up as a pirate it was fun'

'We watched a film which had a friendly ghost telling us about pirates from the past in Tudor House'

During the trip we had a guided tour showing us cellars that pirates hid their treasure, learnt about famous pirates from the past and explored artefacts that would have been used on ships a long time ago!

'Tudor House had bumpy floors because it is very old.'

'It was fun to dress up.'

Pirate Day

To launch our new topic Treasure the children in Newts had a pirate day.

'We learnt about different pirates including Blackbeard'

'I liked looking around the school reading clues and finding treasure'

'We dressed up as pirates and did some dancing and singing'

The treasure hunt was the best"
