16th June 2022

Dear Parents/Carers,

Just a gentle reminder that Bikeability commences for Year 6 on Monday 20th June if your child/ren have signed up.

If you indicated on the google form that they need to borrow a bike and/or helmet, these will be provided by the Bikeability team. For those who have their own, please may you ensure these come into school from Monday.

*Deers class can put the bikes into the bike shelter on the playground. Please don't put bikes outside the classroom as this is where bagels are served from.

*Badgers class can bring bikes around and put them outside the classroom or into the bike shelter.

Bikeability will still take place regardless of weather conditions. With this in mind, children **MUST** bring a water bottle to school (particularly from Tuesday onwards) when the children will be leaving the school site to ride. If it's raining, the instructors will ask for children to be wearing a waterproof coat.

All of the above information has been shared with the children in class but If you do have any further questions, please get in touch.

Best wishes,

Mr Turner

Phase Leader
