

# Poppies

As part of Grounds Week we sketched beautiful poppies in our Italian lessons with Mrs Pritchard. We practised our sketching skills, focusing on detail, light and shade to make our drawings appear more lifelike. We talked about the importance of Armistice Day, read some reflective poems and translated some short Italian texts into English.

I Soldati hanno perso la vita  
nella guerra, e oggi noi siamo  
tutti liberi... grazie.

The Soldiers lost their lives in  
the war, and we are all free...

Thank you.
