From the 21st March – 1st April we will be taking part in 'Big Walk and Wheel 2022'

What is Sustrans Big Walk and Wheel?

Sustrans Big Walk and Wheel inspires pupils to be amazing and take active journeys to school.

On each day of the challenge, schools compete to see who can get the highest percentage of their pupils walking, using a wheelchair, scooting or cycling to school. Your school's best five days will determine your final position, but you can log journeys on all ten days if you wish.

How many active journeys will your pupils make?

Competition Time

Design your very own WOW badge!

Last year, we had a whopping 90,000 entries, making it one of the UK's biggest design competitions for children. Let pupils get creative and help us make this year's our greatest competition yet!

This year's theme is:
WALK THROUGH TIME
Competition ends Friday, 18 March 2022

This year's theme, *Walk through time*, takes us back in time, as we explore millions of years of history on earth. If you could travel back in time, where would you go and what would you see?

Wherever your walk through time takes you, draw it!

Keep up the great travel! Remember to always travel safely and ALWAYS wear a helmet.
