

# Year 5

# Hedgehogs 2017- 2018

## Ancient Greek Olympics

Hedgehogs and Foxes hosted their very own Ancient Greek Olympics where parents competed as athletes to win wreaths. The children organised and directed the entire event making their teachers, parents and Moorlands extremely proud!

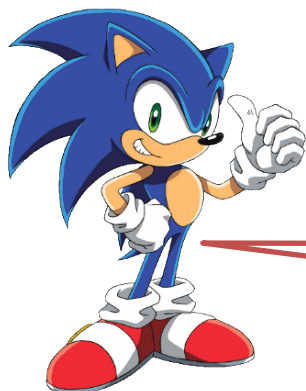

It was great fun because we got to get together as a year 5 family and teach the parents instead of the parents teaching us

**Asha Dumbleton**

One of my favourite memories was the Olympics because we got to boss the parents about and send them to the sin bin if they cheated.

It was a lot of fun!

**Filip Klodkowski**

My favourite memory from year 5 was the Olympics games because my friend George and I were part of the panel that helped organise the whole event

## Swimming

Hedgehogs were thrilled to find out that in year 5 they get the unique opportunity to advance their swimming skills over a two week period.

The children thoroughly enjoyed 'trying new things' and their behaviour over the two weeks was exemplary.

I got to the deepest end of the swimming pool and I got to show off what I could do

**Libby Spooner**

Swimming was special to me because I got to spend time with my friends and teachers for 7 afternoons doing my favourite sport

I loved that I learnt how to swim and it was great to try something new!

**Dylan Stockley**

## Stubbington

For many, Stubbington was the highlight of the year. The children had a blast taking part in various exciting activities each day and gained so much confidence staying away from home for 5 days.

At Stubbington we got to spend a lot of time with our friends and we did amazing activities

**Freya Read**

I learnt to be more independent and I made new friends

**Kornel Szwed**

It was a great opportunity to spend quality time with my friends and it was fun to have a sleepover!
