

Autumn Haiku

Dragonflies have written some amazing haiku poems during grounds week.

*Leaves are falling down
They are crunchy under foot
They leaves are dark brown*

*The frogs are jumping
Dogs are running in the park
Cats sleep in warm beds*

*The leaves are coloured
The leaves are changing colour
The frogs are jumping.
Leaves are beautiful
Leaves are changing brown and red
Leaves are falling*

*People at the park
its firework night in Autumn
All the leaves fall down*

Hayden.

*LEAVES ARE ON THE DIRT
COLOURED LEAVES MAKE ME HAPPY
THE LEAVES ARE MUDDY*

*LEAVES ARE COLOURFUL
LEAVES ARE FALLING FROM THE SKY
BARK IN THE WOOD*

*LEAVES ARE COLOURFUL
LEAVES ARE FALLING DOWN FROM
TREES
THE LEAVES ARE MUDDY*

*All the leaves are brown
All the leaves are off the trees
Leaves have fallen down*

*Leaves are on the ground
Multi colour on the floor
Autumn time is here
Jessica Layla*

*Tree's are turning brown
Leaves are falling down today
Dark leaves are dying.*

*There's back on the trees
Falling leaves from green trees
Trees are growing tall.*

*They're in growing
Back in on the middle then in time will make
Leaves are colorful.*

Deers are eating bark
I saw a red body bird
I love the red leaves.

The leaves are coloured
The leaves are changing colour
Brown bark on the tree.
Fat frogs are leaping

Frogs jumping back and forth
