

Superheroes

Bluebirds and Robins were rudely interrupted by Supergirl looking for Slime Man who had been 'sliming' all through our classrooms. She asked for our help and we were happy to help build traps in our garden area.

We were relieved to hear that our traps worked and Supergirl could take him to the police station! This led us to a Superhero topic where we have been on secret missions helping Supergirl and other superheroes. The children have found out that superheroes live all around us and help in our community every day.

We wrote newspaper reports about when Slime Man came to Moorlands, wrote secret messages and even tried writing our own superhero stories using story plans.
