

Gardening

Mrs Grub very kindly offered to help us do some gardening in our outdoor area. We repotted a range of different plants carefully making sure we didn't damage them. We filled up the tyres with soil and delicately placed the plants inside. Next week we are going to plant some sunflower seeds and observe how fast they grow!

'We had a lot of fun getting our hands dirty'

'We'll make sure we water them every day so they don't die'
