

Year 6 Year Book 2016 - 2017

Year 6 enjoyed a memorable trip to Woodmill Activity Centre in the Summer Term.

We had great fun learning how to canoe across a lake and climbing a wall whilst our friends held our ropes!

We enjoyed a picnic lunch although the geese gate crashed! Following our lunch, we played Crazy Cricket!

Then we walked back to school – which took forever as we were so exhausted!

What a brilliant day!

*Year 6 entered a
“Survival Week” where
we had to see if we
could survive in the
wild!*

*We built shelters,
foraged for food,
cooked using a
camping stove and
then sang around our
camp fire!*

It was a brilliant week!

Year 6 also enjoyed a fantastic trip to Southampton Solent University this year!

We were able to design our own university, have a tour of the campus and we even got to 'grill' the Vice Chancellor in our question and answer session!
