

HMS Victory

I liked the cannons because the powder monkeys had to put gunpowder inside to shoot cannonballs. (Logan Frogs)

The best part of the trip was when I played the big drum on the HMS Victory. (Ben Frogs)

I liked it when we went into the museum and sketched a picture of Lord Nelson.

(Daisy May Frogs)

As part of our *Treasure!!!* topic, Frogs were lucky enough to visit the HMS Victory in Portsmouth. We learned so much about life at sea, weapons and most importantly, Admiral Lord Nelson. Some parts were a bit gory! And we loved acting like members of the ship's crew.

I really enjoyed making pizzas for our families to eat! Tyler -

I liked putting different toppings on the pizzas.

We made lots of money selling our pizzas!

My Pizzeria poster made our mums and dads hungry! Asa -

As part of our **World Kitchen** topic, we made pizzas. We chose the toppings and made posters and invited parents to our *Pizzeria*. We even learned some Italian with Mrs Pritchard. This topic was *very* popular!

Science Dome

We learned lots about dinosaurs
and that an asteroid crashed into
Earth. It made the dinosaurs
extinct. Noah - Frogs

It was funny when Tyler
held some fossilized
dinosaur poo!!!
Sofina - Frogs

It was fun. I learned
that Triceratops was
the last dinosaur to
become extinct.
Sophia - Frogs
