

# Singing workshop with Jez Unwin

What a fantastic workshop we had with Jez Unwin, who has appeared in 25 West End Productions, including *Once* and *Joseph and the Amazing Techni-coloured Dream Coat*. All our Key Stage 2 Choir and Year 2, took part and absolutely loved it. They sang *Tomorrow*, from the Musical *Annie*, did various fun warm up exercises, worked on harmonies and got into groups and role played small parts from *Oliver*. Children were certainly buzzing, which is great to see!

The singing workshop was really fun because we got to try lots of different styles of music and lots of different styles of singing. I really enjoyed it when we go to incorporate acting into our sing as well.

I liked singing and rapping with Jez. It was nice when we're singing about roses,

I loved the singing workshop. Jez was amazing. He starred in "Once" and loads of other plays.

I enjoyed the singing workshop with Jez because we did popular songs and he made them sound better by adding extra bits, like rapping and harmony.
