

## VOICES AROUND THE WORLD 2016

This year our choir participated in the Voices Around The World Project to celebrate the lighting of the Olympic flame, coinciding with the Rio Olympics 2016.

I enjoyed this very much because I like singing and it was really fun. It was great wearing the headphones and listening to each other perform - Jessica.

I liked that we got to sing as a small group and got to record this song.  
Tiana

Our school, together with many schools around the world learnt the song 'Lighting Up The Flame' and made a recording of it.

I loved it because we sang our hearts out. It was really exciting because we have never been recorded like this before .

All the recordings were collated to make an international song / video to be released in September. Moorlands children were part of this amazing project.

I loved it because I got to sing with my friends and have fun. Vanessa and Sophie

Voices around the world was great. I loved being recorded. I hope we do it in a couple of years.

The children who took part in this project were from Year 2 to Year 6.

It was amazing and you don't get an opportunity to get recorded like this everyday. It was great to be recorded with headphones and with Laurie Lewin, the leader of the project. Niall

I liked being recorded and I was excited to know I was going to be working with lots of other children around the world to make a song and video. Maya

The children absolutely loved this experience. To be recorded like this is an experience they won't forget in a hurry.

**We hope our choir can have this great opportunity again next year. We can't wait for the recording!**

**As you can see, singing makes the children smile.**
