

GROUNDS WEEK - AUTUMN 2

Phonics Outside!

During grounds week, we have been doing our phonics lessons outside! It was so much fun! We were practicing our spelling with chalk on the playground and hunting for tricky words! We have asked Miss Llewellyn if we can take phonics outside more often!

Bug Hunting!

As part of our science topic - we have been learning to name common insects. We went to the woods to search for different kinds of insects. We used pooters to carefully collect the insects. We put them into petri dishes so we could observe them closely. We made sure we returned them to their habitat afterwards. Ask us what we have been learning about insects at home!

I wish we could do phonics outside every day! - Austin

Knight's Challenge Day

We had a fantastic day and learnt lots about what it was like to live in Medieval Times. Thank you for all your hard work with costumes! The children looked great and enjoyed all their challenges!

We baked our own bread to eat at the banquet! - Euan

Fire Safety Visit - 6th March

Matches and lighters never touch! They can hurt you very much!

Today, Year 2 had a visit from the Hampshire School Fire Service. Dave and Ron came to talk to us about fire safety. They talked about what we should do if there was a fire...

**GET OUT, STAY OUT,
CALL 999.**

We learnt about the uniform fire fighters wear and we got to go inside a fire engine! Inside we learnt what it is like to travel to an emergency. After that we got to use the hose to hit a target and even Miss Llewellyn had a go! Ask us about what we have learnt at home!
