

Autumn 1 in Year 3!

English

In English this half term, we are going to be using the text *The Shell*, to write an illustrated senses poem about the sea.

As well as, *The Seal Surfer*. The children will be writing a letter to narrate a describe the events to a family member.

Guided Reading

In Guided Reading this half term, we are using the text *The Sea Book* which is a non-fiction book. We will be developing the children's comprehension skills as well as their fluency.

Computing

We are learning about how to send emails in our Computing lessons. The children will learn how choose a recipient as well as well as the importance of being safe online.

PSHE

This half term's unit is *Being Me In My World*. Please find attached the knowledge organiser and vocabulary list for this unit.

Maths

In Maths this half term,  we will be learning about Place Value. We will be using 3 digit numbers up to 1000. We look at number lines, adding 10, 100, and gain confidence with understanding the value of each digit in a number.

History

This half term in History, we are learning about Ancient Greece. We will be looking at how the Greeks impacted our lives today as well as the Trojan War and the battle of Thermopylae.

RE

This half term, the children are learning about the 5 Ks in Sikhism and what that means for Sikhs. This will be the start of them learning a new religion as well as Christianity.

French

This half term, the children will begin to learn some basic French words including greetings. They will have opportunities for speaking and listening as well as some reading and writing French vocabulary.

Science

In Science this half term, we will be learning about animals including humans. We will find out about herbivores, carnivores and omnivores and their diet.

Geography

This half term, we are learning about Ancient Greece. We will be using atlases to look at the physical features and climate as well as the city of Olympia and why the sea is important.

Music

The children will be learning about how to compose and perform an ostinato, both independently as well as in a group.

Art

This half term, the children will be learning about Ancient Greek sculptures and pottery. They will be working towards making their own Greek pottery piece.

PE

For PE this half term, the Primary PE Planning unit on Multi-skills. Our PE days are Mondays and Thursdays.

DT

This term, the children will be learning how to sew fabric in order to make an apron that they have designed.

DFE Statutory Relationships & Health Education Guidance.

- (R7) how important friendships are in making us feel happy and secure, and how people choose and make friends
- (R8) the characteristics of friendships, including mutual respect, truthfulness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties
- (R9) that healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded
- (R12) the importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs
- R13) practical steps they can take in a range of different contexts to improve or support respectful relationships
- R14) the conventions of courtesy and manners
- R16) that in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority
- R19) the importance of permission seeking and giving in relationships with friends, peers and adults.

Example of Floor book:

Multi-Skills Knowledge Organiser - Year 3

Prior Learning: In year 2, children continued to try different ways of balancing on the floor- on objects and low apparatus. They recapped how to pick up objects in a competitive game situation and change direction (agility) when moving. They practiced how to move in a variety of ways with control, on their own and with equipment (coordination). They also practiced their throwing and catching skills with a variety of objects.

Key Skills

Physical Me

Agility- Agility run

- Speed bounce
- Running

Balance- On benches

- On one leg
- While throwing objects

Thinking Me

- Improving my performance

Value Me:

- Leadership

Social Me

- Collaboration
- Co-operation

Co-ordination-Skipping, hopping, running, jumping

- Throwing and catching

Flexibility- Stretching to reach objects

Key Knowledge

Agility - The ability to change the position of the body quickly and with control.

Balance- Is the ability to stay upright or stay in control of body movement

Co-ordination - The ability to use two or more body parts together.

This helps all athletes to move smoothly and quickly especially when also having to control a ball.

Key Vocabulary

Agility

Balance

Co-ordination

Measure

Record

Team

Speed

Test

Mini Coach
