

Spring 2 in Year 1

English

We will begin the half term with our poetry week. The poem we will be focusing on is the poem 'At the Zoo' by W. M. Thackeray. The children will add their own items to a list poem about a visit to a museum.

After this our unit for the rest of the half term will be based around the book 'The curious case of the missing mammoth'. The final outcome of the unit will be to write a story based on the structure of 'The Curious Case of the Missing Mammoth' with a change of character or setting.

PSHE

This half term we will be exploring what it means to be **healthy, happy, and safe**. We will look at how the choices we make affect our bodies and our feelings, and how we can look after ourselves as we grow.

Here is the vocabulary we will share:

Help your child practice these words by using them in everyday conversation:

-Healthy & Unhealthy

-Balanced & Exercise

-Hygienic & Safe

-Green Cross Code (Look, Listen, Wait)

Maths

In Maths this term, we will be finishing our learning about **place value to 20, addition and subtraction**. Then we will be learning about **measurement, length and capacity**.

History-

We will be learning about significant people who have contributed to society such as Winston Churchill, The Mayor of London and the current Prime Minister.

RE

In our RE work this half term we will be looking at celebrations and the power of images. This will include learning about the Hindu God Vishnu and the celebration of Holi.

Art

In art we will be learning about aboriginal styles such as symbols and carving. This links to our geography unit all about Australia. We will be using different aboriginal techniques to create art.

Science

In science, this term year 1 will be learning all about forces and magnets.

Geography

In Geography, we will be learning all about Australia.

Music

In Music this half term we will be looking in detail at the concept of pitch. We will consider how we can use our voices to show different pitches and how to play different pitches on instruments.

Computing

In this unit, we will be learning how to use Google slides to create an online presentation.

HM	Knowledge	Social and Emotional Skills	Questions for Family Learning
<p>Ages 5-6</p> <ul style="list-style-type: none"> • Know the difference between being healthy and unhealthy • Know some ways to keep healthy • Know how to make healthy lifestyle choices • Know how to keep themselves clean and healthy • Know that germs cause disease / illness • Know that all household products, including medicines, can be harmful if not used properly • Know that medicines can help them if they feel poorly • Know how to keep safe when crossing the road • Know about people who can keep them safe 	<ul style="list-style-type: none"> • Feel good about themselves when they make healthy choices • Realise that they are special • Keep themselves safe • Recognise ways to look after themselves if they feel poorly • Recognise when they feel frightened and know how to ask for help • Recognise how being healthy helps them to feel happy 	<ul style="list-style-type: none"> • Can you give me an example of a healthy / unhealthy choice? • How do you feel when you make a healthy choice? • Can you tell me something that is special about you? • Can I tell you something I think is special about you? • What can you do when you feel poorly? • Can you talk about a time when you felt frightened? • Who can you ask for help when you feel frightened? • How does Jigsaw Jerrie Cat help you to pause in lessons? 	
<p>In this Puzzle the class talk healthy and unhealthy choices and how these choices make them feel. They talk about hygiene, keeping themselves clean and that germs can make you unwell. The children learn about road safety as well as people who can help them to stay safe.</p>
