

Autumn 2 in Year 1

ENGLISH

In English this term we have Poetry week based around the Poem of 'There's No Such Things as Monsters'.

We will then be working on the book 'Nibbles: The Book Monster'; which will finish with us writing a diary entry based around Nibbles' adventures in the story.

PSHE

Celebrating Difference

Year I will talk about the similarities and differences between people and that these make us unique and special. The children learn what bullying is and what it isn't. They talk about how it might feel to be bullied and when and who to ask for help. The children talk about friendship, how to make friends and that it is OK to have differences from their friends. The children also talk about being nice to and looking after other children you might be being bullied.

Here is the vocabulary we will share:

Similarity, Same as, Different from, Difference, Bullying, Bullying behaviour, Deliberate, On purpose, Unfair, Included, Bully, Bullied, Celebrations, Special, Unique.

Maths

In Maths this term, we will be learning all about the composition of numbers through concrete resources, part-whole models and missing number problems.

The children will also extend their understanding of **addition** and **subtraction.** We will finish off the half term with work on shape.

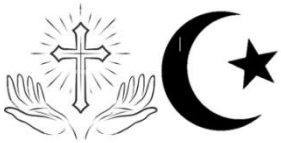

History

This half term, yrl will be studying **significant British explorers.** These include Captain Cook, Ernest Shackleton and Francis Drake. We will discuss their achievements, their discoveries and the effects they had on British history.

RE

This half term, the children are learning about the symbol of light.

Art

We will be studying **sculpture.** This means 3D art made by moulding clay, carving wood and stone, creating installations and many other exciting techniques.

Science

In science, this term year I will be learning about animals. We will discuss different features of animals, e.g. fur, claws, diet, size. We will also learn about animal habitats and their locations around the globe

Geography

In Geography, we will learn about island formation with a focus on the Galapagos Islands. The Galapagos Islands are located near Ecuador and are a hotspot for wildlife.

Music

In music, we will be_using our voices to create different sounds or blend with the group. They focus on hearing and performing simple intervals with our voices, using Kodaly songs. This builds on the songs learnt in reception.

Computing

Document Creators

In this unit, we will learn how to use an online word document, learn how to type, change the font type and colour and add pictures to the documents we create.
